Hi Everyone,

I spoke with the Regional Board and it appears the Redwood City site is covered by the General Industrial Storm Water Permit and a 401 Certification for maintenance activities. Cargill's most recent (2009) 401 certification covering Alameda and San Mateo Counties is attached. **B5 Deliberative**

[REDACTED]

Let me know if there is anything else we want to see from the Regional Board right now.
Thanks,
Melissa
